Dear: Manassas African American Heritage Festival Supporters:

The Corona Virus (COVID-19) has changed life around the world in unparalleled ways. When the NBA suspended its season on March 12th, no one could have imagined the impact COVID-19 would have on our daily lives. Governor Northam informed the Commonwealth that the Corona Virus (Covid-19) will not likely reach its peak until the summer. Therefore, with the health and wellbeing of our Festival participants in mind, it is with great regret that for the first time in our thirty history, we will have to cancel the Manassas African American Heritage Festival scheduled for August 1, 2020.

If you already paid for your space for this year's Festival, you can expect to receive your voided check over the next couple of weeks. We look forward to celebrating the rich history of the African American Community in Manassas, Manassas Park and Prince William County next year. So, please save Saturday, August 7, 2021 on your calendar for the Festival.

Until we reconvene in 2021, we wish you God's speed and good health.

Should you have any questions or concerns, please feel free to contact us at (703) 369-2475 or www.maahf.com.

Sincerely,

The Festival Staff
